

CHARLES DOBSON

Software Engineer

SUMMARY

Creative, detail-oriented, software engineer with a deep interest in AI. Proven track record of creating and implementing successful front and back end web applications. Looking to bring my skills to a tech company with global reach.

WORK EXPERIENCE

Software Engineer at 100devs, Los Angeles, CA (Remote)

October 2022 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured full stack web applications
- Applied agile methodologies like SCRUM for project management

Projects: NightSky APOD Web App with NASA API integration. On-Demand background color changer – (HTML, CSS and JavaScript for partnered Twitch Streamer). Many more!

Corporate Security at The Home Depot | Marietta, GA

July 2019 — Present

- Set up custom CCTV templates in the Command Center with the S2 system which is used by over 30 associates helping to minimize constant formatting
- Trained well over 20 associates using a professional “hands on” approach resulting in a 98% retention rate and individual career advancements
- Introduced various Excel techniques to the team and leadership to optimize over 10 different reports which are utilized daily

Pricing Analyst at Printpack, Inc | Atlanta, GA (Remote)

June 2016 — June 2021

- Designed and developed an automated Pricing Tool utilizing Macros and Oracle which led to a 25% reduction in pricing errors
- Subject matter expert for all digitally printed pricing utilizing complex strategies to increase profitability between 10% to 15% for various customers
- Collaboratively created a user-friendly digital pricing model for account managers which increased the speed of completed digital quotes by 30%

Team Lead and Subject Matter Expert at Bank of America | Kennesaw, GA

January 2015 — May 2016

- Coached, trained and deescalated calls for a department of over 115 associates
- Resolved nearly 20+ cases a day by being visible and easily accessible while balancing managerial duties and staying organized
- Increased employee performance by 20% by showing associates my own best demonstrative practices and also pairing them with other high performing workers
